ICT ESSENTIALS COURSE

Rules, Regulations, Code of Conduct & Ethics

Don't Forget the 20,20,20 rule

(After every 20 minutes, look 20miles away for 20seconds)

1. GENERAL RULES & REGULATIONS

1.1 Attendance & Punctuality

- Students must attend all scheduled classes and practical sessions.
- Late coming is discouraged; repeated lateness may lead to disciplinary action.
- Absence must be explained with valid reasons.

1.2 Identification

- Students must carry their student ID at all times within the academy.
- Unauthorized persons are not allowed in training areas.

1.3 Use of Academy Property

- All equipment (computers, projectors, furniture) must be handled with care.
- Any damage must be reported immediately.
- Students will be held responsible for intentional damage.

2. STUDENT CODE OF CONDUCT

2.1 Respect & Discipline

- Treat instructors, staff, and fellow students with respect.
- No abusive language, harassment, or discrimination.
- Maintain professionalism at all times.

2.2 Academic Integrity

- No cheating, plagiarism, or copying of assignments.
- All work submitted must be original.

2.3 Dress Code

- Students should dress decently and appropriately for a learning environment.

3. HEALTH & SAFETY GUIDELINES

3.1 Physical Safety

- No running, pushing, or disruptive behavior in classrooms or labs.
- Bags should be kept in designated areas to avoid accidents.

3.2 Electrical Safety

- Do not tamper with cables, sockets, or power systems.
- Report any faulty equipment immediately.

3.3 Ergonomics (Healthy Computer Use)

- Maintain proper sitting posture.
- Take short breaks to avoid eye strain and fatigue.
- Adjust screen brightness and seating position appropriately.

3.4 Emergency Procedures

- Follow instructions during emergencies (fire, power outage, etc.).
- Know the location of exits and safety equipment.

4. DATA SECURITY & DIGITAL SAFETY

4.1 Password Security

- Do not share your login credentials with anyone.
- Use strong passwords (combination of letters, numbers, symbols).

4.2 Safe Internet Use

- Avoid accessing harmful, illegal, or inappropriate websites.
- Do not download unauthorized software or files.

4.3 Personal Data Protection

- Do not access, modify, or delete another student's files.
- Respect privacy and confidentiality at all times.

4.4 Cyber Ethics

- No hacking, spreading viruses, or attempting to bypass system security.
- Do not engage in cyberbullying or online harassment.

5. COMPUTER LAB RULES

5.1 Lab Conduct

- Maintain silence or minimal noise to avoid distractions.
- Follow instructor's guidance at all times.

5.2 Equipment Usage

- Log in only to your assigned computer.
- Do not change system settings or install programs without permission.

5.3 Food & Drinks

- No eating or drinking inside the computer lab.

5.4 File Management

- Save your work in assigned folders or external storage.
- Always log out after use.

5.5 Cleanliness

- Keep the lab clean and organized.
- Leave your workstation as you found it.

6. ICT ETHICS

6.1 Responsible Use of Technology

- Use ICT resources for learning purposes only.
- Avoid misuse of computers for personal or illegal activities.

6.2 Intellectual Property

- Respect copyrights, licenses, and software agreements.
- Do not copy or distribute software illegally.

6.3 Professional Behavior

- Develop habits of honesty, accountability, and responsibility.
- Uphold the reputation of the academy.

7. DISCIPLINARY ACTIONS

Violations of these rules may result in:

- Warning (verbal or written)
- Suspension from lab access
- Temporary or permanent dismissal from the course
- Liability for damages caused

8. STUDENT COMMITMENT

All students are expected to:

- Follow these rules and guidelines
- Maintain high ethical standards
- Promote a safe, respectful, and productive learning environment
